

About Mission Health

Mission Health, based in Asheville, North Carolina, is the state's sixth-largest health system. For the fifth time in the past six years, Mission Health has been named one of the nation's Top 15 Health Systems by Truven Health Analytics, an IBM Company and part of IBM Watson Health in 2017. We are the only health system in North Carolina to achieve this recognition. Mission Health operates six hospitals, numerous outpatient and surgery centers, post-acute care provider CarePartners, long-term acute care provider Asheville Specialty Hospital, and the region's only dedicated Level II trauma center. With approximately 12,000 team members and 2,000 volunteers, Mission Health is dedicated to improving the health and wellness of the people of western North Carolina.
